Williams Hedgerow and Elderflower Gin

Country: England

Region: Herefordshire

Producer: Chase Distillers

Bottle size: 70cl - abv: 40%

The story of Williams Elegant Gin begins with vodka. It is a relatively unknown fact that gin is made from vodka, so, unlike other gins, Williams Elegant is truly single-estate from field to bottle.

Unlike most other gins, where a neutral grain spirit is simply redistilled, organically grown cider apples from the family farm; fermenting them into cider, then distilling into Naked Chase Vodka as the base to our Williams Gins.

A floral and crisp elderflower gin with the perfect blend of rich juniper, subtle spice and floral sweetness.

Chase Hedgerow Elderflower Gin is carefully crafted by copper pot distilling our gin with elderflowers picked from Herefordshire hedgerows.
