William Elegant 48 Gin

Country: England

Region: Herefordshire

Producer: Chase Distillers

Allergens: Not known

Bottle size: 70cl - abv: 48%

The story of Williams Elegant Gin begins with vodka. It is a relatively unknown fact that gin is made from vodka, so, unlike other gins, Williams Elegant is truly single-estate from field to bottle.

Unlike most other gins, where a neutral grain spirit is simply redistilled, organically grown cider apples from the family farm; fermenting them into cider, then distilling into Naked Chase. Re-distil Naked Chase with eleven carefully considered wild botanicals and naturally pure water taken from the aquifer running underneath the cider apple orchards.

The result is full bodied, sharp, yet fruity gin with tears and true provenance.

The botanicals: juniper, coriander, angelica, liquorice, orrice, orange, lemon, hops, elderflower and Bramley apple.
