*The story of Williams Elegant Gin begins with vodka. It is a relatively unknown fact that gin is made from vodka, so, unlike other gins, Williams Elegant is truly single-estate from field to bottle.*

*Unlike most other gins, where a neutral grain spirit is simply redistilled, organically grown cider apples from the family farm; fermenting them into cider, then distilling into Naked Chase Vodka as the base to our Williams Gins.*

*Made from botanicals including juniper, orange peel, liquorice, elderflower and bitter almonds. This Seville Orange Gin is bursting with flavour. A final infusion with raw orange peel from Seville oranges gives a crisp citrus finish.*

### *NOSE*

*Floral oils up front followed with fruity notes – like a hot cross bun.*

### *PALATE*

*Smooth and sweet orange tones with a welcoming mouth-coating roundness*

### *FINISH*

*Full bodied, finishing with a burst of fresh orange zest.*
