Tasting Note

A balanced, fresh white Rioja made from the Viura grape with notes of crystalline fruits and ripe pears through to a zesty finish.

Winery information

Bodegas Ondarre, is based in Viana, a historic town 6 kilometres from Logroño, Rioja's capital. Founded in 1986 it has quickly become one of the standout producers in the region with its elegant and distinguishable style.

Their most acclaimed wines are their Reservas, which win top awards and critical approval every year. They attribute their success to the hard work in the vineyards and their continual investment into the winery and barrel stock. They use both French and American oak casks to help them obtain the incredible character in their wines. As well as their Reservas they produce a few thousand cases of a single varietal Graciano. A real rarity due to the low yielding nature of the vine.

Winemaking

The grapes were carefully sorted and then cool fermented in temperature controlled stainless steel tanks, retaining the freshness and purity of fruit.

Vineyard:

The vines are grown in clay based soils with high iron and chalk content.

Food Recommendation

Excellent as an apéritif or with lightly flavoured dishes.
