### Tasting Note

*Made in a modern, unoaked style, the wine is full of vibrant red-berried summer fruit. Well balanced, soft and approachable.*

### Winery information

*Bodegas Ondarre, is based in Viana, a historic town 6 kilometres from Logroño, Rioja's capital. Founded in 1986 it has quickly become one of the standout producers in the region with its elegant and distinguishable style.*

*Their most acclaimed wines are their Reservas, which win top awards and critical approval every year. They attribute their success to the hard work in the vineyards and their continual investment into the winery and barrel stock. They use both French and American oak casks to help them obtain the incredible character in their wines. As well as their Reservas they produce a few thousand cases of a single varietal Graciano. A real rarity due to the low yielding nature of the vine.*

### Winemaking

*The grapes were fermented in temperature controlled stainless steel tanks, to retain the purity of fruit*

### Vineyard:

*The vines are grown in clay based soils with high iron and chalk content.*

### Food Recommendation

*A versatile wine that can be enjoyed throughout the meal.*
