Peggy - the still

A hand made copper still, using the vapour-infused method, steaming the base spirit through the botanicals producing a delicate gin.

THE BOTANICALS

JUNIPER - The foundation of all gin, Punchy, piney and fresh tasting

PEARLS of HEATHER - impart a grassy and floral note.

CORIANDER SEEDS - gives a zesty spicy flavour.

SEA BUCKTHORN - Aromatic sea buckthorn, fresh and fruity.

ROWAN BERRY - Found in the local forests, a delicate flavour with subtle chocolatey smoky overtones.

LEMON RIND - Crisp and clean, a zesty balance.

BITTER ORANGE PEEL - Tart and tangy for a bittersweet taste.

ANGELICA ROOT - Earthy flavours, the essential bite with a lingering aftertaste.

Tasting Note

Elegantly simple, beautifully balanced, shows signature notes of Juniper and citrus bites of bitter orange, with aromatic sea buckthorn, grassy floral pearls of heather, chocolate and rowan berries

Serving Suggestion

Serve with a premium tonic water tonic and garnish with a few raspberries.
